Build a Bridge with a Shared Interest

Use something you love to connect with someone else

BRIDGES: CONNECTION AND COMMUNICATION

A Bridge can start with a favourite book, game, topic, animal, song, activity or quiet moment. You choose how to share it.

Something I really enjoy:

A person I might like to share it with:

How could I share it?

[ ] Show a picture or object

[ ] Draw it

[ ] Ask them to listen

[ ] Tell one fact

[ ] Do an activity together

[ ] Keep it just for me today

Draw your bridge and the interest travelling across:

Connection can be quiet, brief, or shared without words. Both people get to choose.
