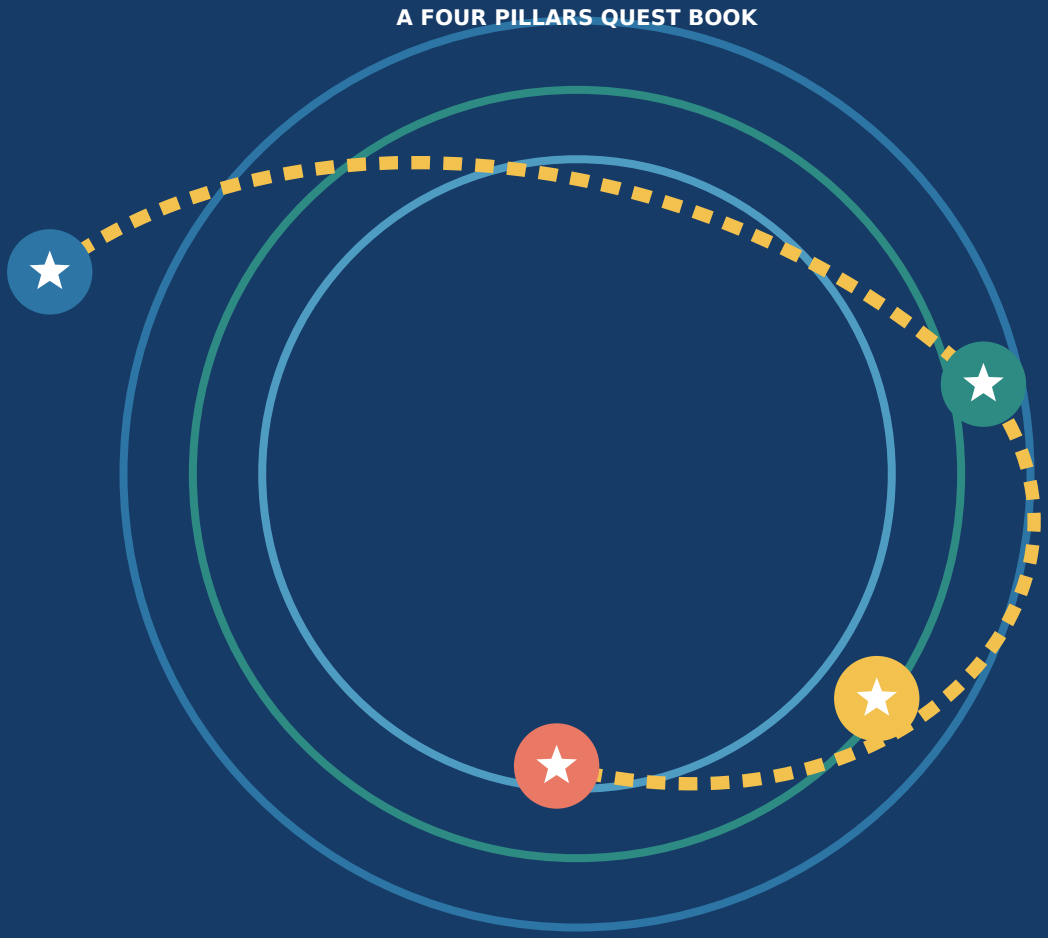
A FOUR PILLARS QUEST BOOK



TOM TOM'S HOME LEARNING
ADVENTURE PASSPORT

Curiosity is your compass. Your way of learning is the map.

My explorer name: _____

BRIAN'S • WAVES • CIRCLES • BRIDGES

By Counsellor Tomass J. Wood | www.tomtomuniverse.co.uk

Welcome, Explorer!

This passport turns ordinary home learning into small, choice-led quests.

Your mission

Explore one idea at a time. Choose a quest, collect a pillar badge, and show what you discovered in a way that works for you.

1. CHOOSE

Pick a mission that feels interesting. You can change your mind.

2. MAKE IT YOURS

Talk, point, draw, build, move, type, use pictures or ask someone to help.

3. CHECK YOUR PILLARS

Notice your thoughts, energy, routine and connection needs.

4. CELEBRATE

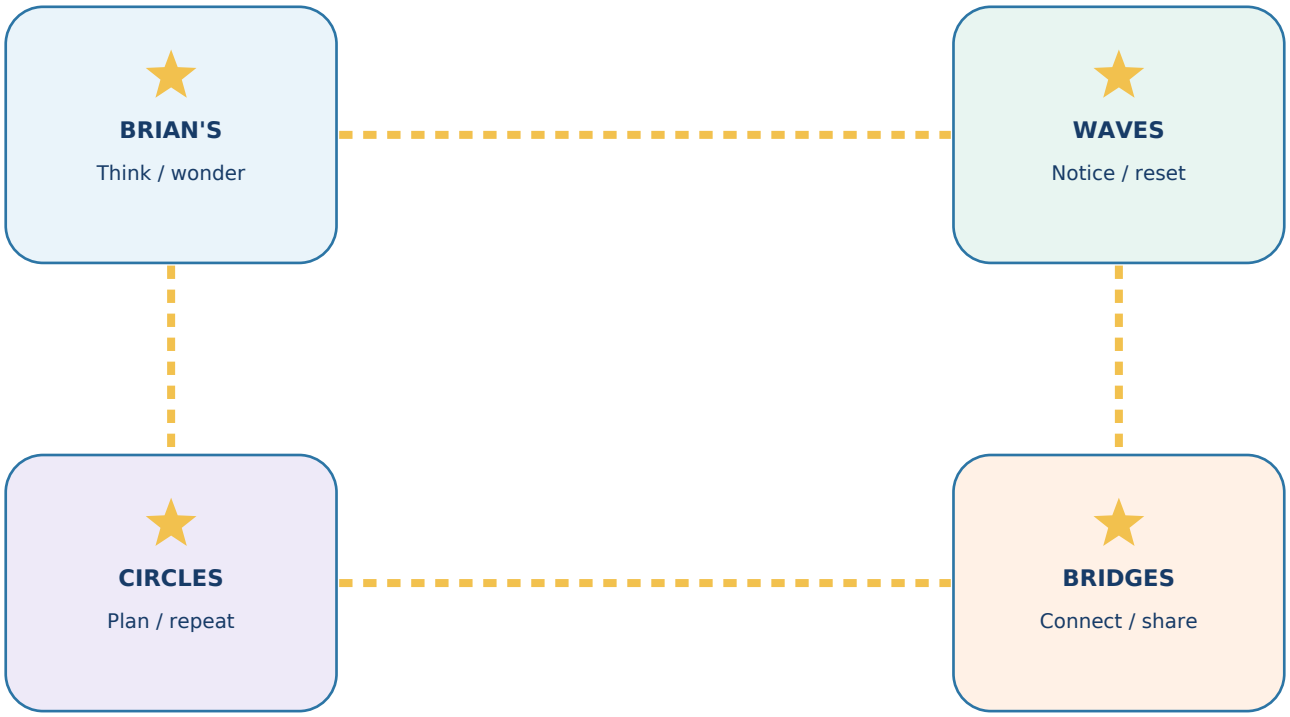
A question, a pause, a new try or asking for help all count as brave learning.

No scores. No race.

There is no need to finish every quest. Stop, rest, adapt or return another day. Learning should fit the child.

The Four Pillars Quest Map

Follow the path in any order. Add a star when you visit a pillar.



A quest I want to try first:

A person, book or object that could join me:

Quest 1: The Home Safari

Become a careful explorer. Look closely, notice details and choose what to record.

Explorer rule

Look, listen and notice safely. Ask before moving or touching someone else's belongings, plants or animals.

FIND A PATTERN

A pattern in tiles, clothes, books or nature.

FIND A SHAPE

A circle, triangle, rectangle or a shape you name.

FIND A TEXTURE

Notice a texture by looking, touching if comfortable, or describing.

FIND A SOUND

Listen from a comfortable distance. You can skip this one.

WHO IS THERE?

A person, creature, helper or someone still to invent.

WHERE ARE THEY?

A familiar room, a carnival, a new planet or somewhere unexpected.

WHAT CHANGES?

A sound, a question, a surprise, a problem or a new idea.

WHAT BRIDGE HELPS?

A friend, a routine, a kind word, a clue or a brave choice.
